UNIT 1 THE RIGHT FIT

VOCABULARY

CLOTHES

1 **Find at least five of the words in the box in the photos. Circle them.**

buttons	costume	jersey	laces	material
pattern	sleeves	sweatshirt	tracksuit	zip

2 **Choose the correct words to complete the quiz.**

How do I find my FASHION STYLE?

Answer the questions in our style quiz to find out how!

Do you like hanging out at the skatepark?

We imagine you feel comfortable in a cool [1] *tracksuit* / *costume* or a hoodie with a [2] *jersey* / *zip* up the front. No [3] *pattern* / *laces* for you – just a plain colour.

Or are you into going to the theatre or concerts?

A [4] *tracksuit* / *sweater* is too casual and better for the sports field. How about a smart jacket with five shiny [5] *buttons* / *material* and trousers instead?

And do you enjoy social events? Do you like going to fancy-dress parties?

If so, we're sure you'd like awesome [6] *costumes* / *sleeves* which are made of colourful [7] *buttons* / *material*. How about large shoes with bright pink [8] *laces* / *sleeves* to match?

3 **Complete the conversation with the words in the box. There are two extra words you do not need to use.**

buttons	costume	jersey	laces	
material	pattern	sleeves	zip	

Vicky: Why are you wearing my football [1] _____? I need it for our match later.

Kevin: Jake's having a fancy-dress party and I'm trying to decide on a [2] _____. I'm thinking of going as a basketball player.

Vicky: But they don't wear tops with long [3] _____. You can borrow my basketball shoes, but one of the [4] _____ is broken.

Kevin: That's OK. I think I've got some new ones. Can you help me with this jacket? I think the [5] _____ is stuck. That's why I prefer [6] _____. They're so much easier to do up!

4 **STRETCH!** **Read each situation and answer the questions.**

1 You borrow a friend's trainers and realise that the laces don't match. One is plain green and the other has a strange pattern. What do you do?

_____

2 Your cousin gets you an expensive football jersey with long sleeves for your birthday. You try it on. The material feels rough and it really doesn't suit you. What do you do?

_____

3 You put on your favourite tracksuit and realise that it doesn't really fit you anymore. You can't do up the zip. What do you do?

_____

4 You're going on an overnight trip to an adventure centre with your school. What clothes do you pack?

READING

1 **Read about Maya in the exam task and underline what she is looking for. Is Priya's Store or Fair and Square better for her?**

EXAM TIP

Check your answers with these questions.

1 Have you chosen a **different** online store for each person?
2 Does the store do **all** the things the person requires?

EXAM TASK READING PART 2

2 **The young people below all want to buy, upcycle or give away clothes. Read the descriptions of some online sustainable fashion stores. Decide which store would be best for each person.**

1 Maya is looking for a top to give as a present to her friend. They don't often agree on clothes, so her friend may want to exchange it for something else. Maya can't afford to spend much.

2 Niki has got a large collection of 'boring' clothes and shoes. He'd like to make them more interesting himself, but he needs some help and support. He can't afford to pay very much.

3 Stefan wants to go as a cartoon character to a party. As the event is this weekend, he hasn't got time to make something from the family's unwanted clothes or look around a lot of shops.

4 Andy's got some unwanted costumes, sportswear and trainers to give away and would like to help a charity. He's had a bad experience with a website and is worried about internet security.

5 Tanya would like to buy some sportswear which was fashionable in the past. She's got enough trainers, so perhaps an unusual-looking top. She'd like to send it back if it doesn't fit.

OUR FAVOURITE SUSTAINABLE ONLINE FASHION STORES!

A Priya's Store

Priya and her team collect bits of unwanted material and turn them into amazing dresses, tops and bottoms. You choose a design from the website, select your size and the colour and pattern you'd prefer and they do the rest. Each design is different, beautiful, but not cheap, and you can't return your item unless there's a fault.

B FAIR AND SQUARE

All kinds of clothes and accessories, except for sportswear, at reasonable prices. Goods at this store are checked for sustainability, and the people who make them enjoy good working conditions and receive a fair wage. And what's more, if you aren't happy with the product for whatever reason, send it back and you'll get a refund.

C Wise choice!

Why do you never wear those trainers? If you aren't wearing them because they look boring, send them to this store. They'll clean them for you and add some colour and style. 'Even a change of laces can make a huge difference,' says website owner Joel. He adds, 'We offer a range of services at prices which suit everyone.'

D Re-loved

This store will send a pile of clothes in exchange for a bag of your unwanted stuff. And how? Complete Re-loved's style form and upload some photos of your favourite clothes. Next, post a box of your unwanted clothes to the store, but make sure they are all in good condition. Re-loved will then choose some clothes specially for you.

E WE care

At this online charity shop, you can find all kinds of clothes, shoes and accessories. With their advanced search, select the style, for example, 'clown', and you'll immediately find hundreds of costumes. Super-fast delivery. But best of all, the money from this site goes to helping refugees. Sorry, no returns and we aren't accepting clothes right now.

F SECOND CHANCE

This second-hand store specialises in tracksuits, sweatshirts and kits. If you're looking for a 'hard-to-find' football jersey from the 1980s with long sleeves, contact them and they'll try to find one for you. On the whole, reasonable prices except for very rare items. Not happy? Return the item within 15 days for a full refund.

G DETAIL!

When you wear out your clothes and nobody can wear them again, staff at Detail! remove the fastenings, things like buttons and zips, and sell them on their site at low prices. If you're looking for something special to decorate your clothes or accessories, look no further. What's more, Detail! will send instructions on how to create your own designs.

H MALEK'S SITE!

Not exactly a store, but fantastic and safe. You've got a load of clothes you rarely wear, and you don't know what to do with them. Don't throw them out! Go to Malek's site and look for somewhere near you where they collect. No need to leave your personal details. And everything goes to people who need it.
