# SCIENCE SKILLS 4

## Contents

**Welcome** Page 4

**1 How do our body systems work?** Page 6
- Vital body systems
- Respiratory system
- Oxygen in, carbon dioxide out
- The heart
- Veins, arteries and capillaries

**2 How are you feeling?** Page 16
- Common illnesses
- Medicine
- First aid
- Healthy habits
- Unhealthy habits

**3 Is a sponge an animal?** Page 30
- Vertebrate nutrition
- Vertebrate respiration
- Vertebrate reproduction
- Classification of invertebrates

**4 Why are plants so important?** Page 44
- Review of the parts of a flower
- Plant reproduction
- Plant nutrition
- Photosynthesis

**5 Which forces are invisible?** Page 54
- Mass and volume
- Properties of materials
- Contact and non-contact forces
- Density and buoyancy

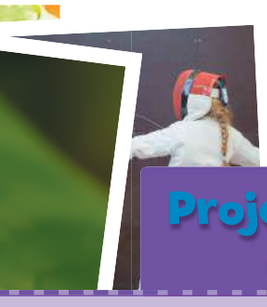

**6 How have machines changed the world?** Page 68
- Inclined plane
- Pulley
- Levers
- Archimedes
- Isaac Newton
- Inventions

**Questions and Study aids** Page 78
